

Home Game Sponsorship Program

Introducing a NEW fundraising opportunity for the Wester Wayne March Band and Colorguard.

We are opening up the opportunity for any family, individual or company to sponsor a home game. You will be announced during the home game as a sponsor for that game and listed on the website and Facebook pages.

Example:

***Tonight's Western Wayne Marching Band performance was Sponsored by ABC company. ABC Company is available for all your plumbing needs. Serving the NEPA area for 20 years their contact information is located on our website and FB pages.**

***Tonight's Western Wayne March Band performance is sponsored by the ABC family in remembrance of John Johns JR who believed in keeping music and arts in education.**

We are looking to get up to 5 sponsors per game, and this will help offset the costs needed to keep this program running smoothly. The WWBPA is a 501C organization and everything we do goes back to the program.

Home game sponsorship is $50 a home game and will include a game shout out and publications on the website and FB pages.

Any questions reach out to: Devon Norris

2026/27 VP of the WWBPA
