

Marching Band Scholarship Sponsor Forms

The WWBPA would like to extend the opportunity to any individual, family, or business to participate in a new program. Starting this year, we will be offering a Sponsor a Scholarship option.

The exact denomination of each and the quantity of how many available will be based on the funding we receive. The Sponsorships start at $250. They can be more and you can dictate how they are divided out. Ex, you donate $500 and would like it to go as 1 scholarship and state in memory of..... or we can break it into 2 and do the same. It can also state this scholarship is "sponsored by your company or family."

When you donate a scholarship, we will announce this on the Website and FB pages, it will remain there and be update with the recipient's information. The students will also receive them on a predetermined date that will be announced in the future.

The student will need to apply for the scholarship and follow certain criteria to be eligible. For example: 2 yrs with the program, an essay with a specific subject and in good student standings.

If you have any additional questions, please reach out to:

Devon Norris

2026/27 VP of the WWBPA
